

**Hassan Qaqaya Ph.D.**

He holds a doctorate in Economics from the London School of Economics and a Masters in International Law from the Lausanne University. He has been working for UNCTAD since July 1981 in which he specialised first in Financial regulation, international trade, and anti-dumping. While at UNCTAD he has also been teaching at the Webster University in Geneva on international economics. Hassan has been travelling the world constantly over the last years, assisting over 20 countries in drafting competition law, application guidelines, and organising training workshops.
